

HR-8C

Model HR-8CN

These industry standard Acrovyn® handrails offer the protection of a crash rail and handrail while providing the secure grip required of a handrail. This series also features a dual line handrail designed for wheelchair-bound patients.

Advantages

- Variety of finish and functional options to meet any specific design need
- Durable, easy to clean Acrovyn is perfect for high-traffic areas
- Substantial securing of splice & end cap
- Finishes can be mix and matched between the rails and center insert.

Building Segments

- Education
- Healthcare
- Office & Mixed Use
- Retail & Hospitality
- Senior Living
