

| Rubstrips

Resilient Rubstrips are an economical option for areas prone to constant scuffing. They provide protection against damage from chairs, gurneys and other abuse.

Features

- Available in PVC-free Acrovyn®, 16-gauge stainless steel, or clear polycarbonate
- Available in multiple thicknesses
- Top & bottom beveled finished edges
- Adhesive or mechanically fastened

Benefits

- Quick installation
- Can be installed after market
- Can be used as an accent strip & placed at any height

Applications

- Corridors
- Waiting areas
- Offices
- Equipment storage areas

Building Segments

- Aviation & Transportation
- Education
- Healthcare
- Hospitality
- Office & Mixed Use
- Retail
- Senior Living
- Sports & Entertainment

CRASH RAILS

Rubstrips
